

PRO Report.

We have once again had good coverage in the local papers, including the BWT, Essex Chronicle, Tiptree Tribune, Brentwood Gazette, Herts & Essex Observer, Cambridge Evening News and Colchester Evening Gazette. I have also sent in a couple of reports to the 'Newsround' which is a glossy mag which comes out once a month and covers a large part of our area.

Thank you to all who have sent in reports and photos, keep them coming, and don't forget to send your adverts for club events in good time to get good coverage on the website.

Thanks to Ivor for all his hard work with the website.

Thanks to Trevor Blows who has stood in for me during my absences.

Don't forget you can also have your club venue and details listed and your landlord can add a link to his own site or have any details listed, ie opening times, menu, special events etc etc. Just let me know.

I would ask again that those that don't send me reports - please consider it. It helps to advertise the sport and more importantly your club.

I am happy to stand again as PRO if the members would like me to.
